Reminder from the League

The League brings to your attention again some of the behaviour of Trainers, Runners and Coaches, outlined below, that is unacceptable to the efficient running of our games. You are asked again to remind all parents that this sort of behaviour is not to happen and that they need to be more in control of their actions and utterings. The problems include:

- Trainers talking back to Umpires when asked to leave the Ground.
- Team sheets not being provided to umpires at half time.
- Trainers and Runners running through the line of play. Frees will start being awarded for this sort of thing if it doesn't cease.
- Trainers and Runners talking to players while on the mark. This is unacceptable.
- Coaches Bibs are not being worn during games by some Coaches.
- Some Runners are staying on the ground for far too long. It should be 2 messages and then back to the bench. Many stay on the ground and coach. This is a particular problem in the Under 10 Age Group.
- Trainers just wandering around the ground following the play. Trainers should only be on the ground when necessary.
- Too many people on the bench area.

Zero Tolerance

As a junior sporting club our duty of care is to provide all players and officials a safe sports environment where nothing but respect matters. The club would again like to remind all players and families that we are a

ZERO TOLERANCE CLUB where nothing but ZERO TOLERANCE will be tolerated.

2010 PLAYER MILESTONES

Terry Smith-100 Games-U15

Terry has been with St Damian's since the age of eight in Tackers, and has played every age group since. Terry is extremely passionate about football, and looks forward to every game and every training session. He has played many positions, but this year has spent a lot of time at fullback where he has done exceptionally well. He has a long kick on both left and right foot, and most of his kick outs have hit the mark. We are very proud of Terry, and wish to congratulate him on making it to his 100th game. Well done Terry!

Chris Ioannidis-50 Games-U14

Congratulations to Chris Ioannidis from the Under 14's for achieving 50 games. Chris has become an important part of this team over the years with his continued improvement. At times he is a bit hard on himself because of his passion to continually do well. He is well liked by his team mates and is a diligent trainer. Well done Chris on reaching this milestone and continue working hard on making yourself a better footballer for St Damians Junior Football Club.

Jordan Martin-50 Games-U11G

Congratulations to Jordan on 50 great games. Jordy is someone who I would describe as the heart and soul of the team. He trains hard, listens to instructions, motivates his team mates to their full potential and is quite ready to share a joke at the coach's expense; all these factors contribute to making Jordan a popular member of the team. Played as an on-baller/forward last year Jordy has adopted a Josh Drummond like role in the way he attacks out of defence as a half back flanker. Jordan is not the highest possession winner, but when he gets it his disposal is great. What I like about Jordan is his hard work when it comes to the one percenters, he has no doubt laid the most tackles, shepherds and spoils for our team this year, making him one of our most valuable players. Congratulations Jordan!

Jarrold Caruso-50 Games-U10G

Jarrold started his junior career in 2008 playing in Tackers. His love of sports makes him an easy player to coach. He is willing to learn, improve, have fun and wears his jumper with pride, no matter what position I play him in. His endeavour at training is second to none and on game day he gives me 110%. I have no doubt that not only will Jarrold grow into one of the great leaders of our Club, but he will also go on to play another great 50 games and then some. Well done mate and enjoy the day.
